Bulletin for the week of October 31, 2021 VOL 26/73 NO 44

WHY DO I HAVE TO DO THIS?

From a young age we start wondering why we have to do various things. Maybe it is getting dressed up for a picture, haircut, or cleaning our room. Whether it is at home or in school children question why they have to do something and the benefit of it. The Old Testament is chalk full of examples very similar to this but there is one that sticks out to me, Jericho.

Joshua 6:2-4 says, “And the Lord said to Joshua, “See, I have given Jericho into your hand, with its king and mighty men of valor. You shall march around the city, all the men of war going around the city once. Thus shall you do for six days. Seven priests shall bear seven trumpets of rams' horns before the ark.” While Joshua was told specifically the why, I cannot help but wonder what the Israelites and those of Jericho thought during the whole process. I know if we did something like that people would start asking questions especially the longer it went on.

Maybe the Israelites felt dumb or maybe the people in Jericho laughed at all the people marching around the city. Verse twenty says, “So the people shouted, and the trumpets were blown. As soon as the people heard the sound of the trumpet, the people shouted a great shout, and the wall fell down flat, so that the people went up into the city, every man straight before him, and they captured the city.”

All the Israelites did was some simple walking, yet a great feat was achieved by God’s hand. God is to be given the glory and honor, Israel’s part in the matter was obeying the commands of the Lord. So what will it be for you? Are you going to obey Him?
