**GROWING UP**

Being on the shorter side of average males, height gets brought up fairly often. As we age, we grow to a certain point which depends on a plethora of factors. My family on both sides wasn't tall so I didn't expect to be that tall and I figured after a while I was just done growing. We tend to make jokes saying things like, "instead of growing vertically as we get older we grow horizontally." While height and weight are parts of physically growing, regardless of genetics or age, there is growth that can always occur.

The growth I am referring to is spiritually. Ephesians 4:14-15, says "so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ," One reason Paul lists here for growth, is to stop us from being carried away by false doctrines and lies. It has always been important for Christians to understand the truth of God's Word.

We don't strive to grow so we can prove everyone wrong in order for us to be shown as the only right ones. Instead, all spiritual growth has one overarching purpose: To grow into every way into Christ. We study God's Word, grow in knowledge and understanding not just to silence the many deceitful schemes but to first and foremost imitate our Savior more and more. We all have a lot of room to grow and growing up in the faith doesn't stop at a singular point. It is a one of the greatest blessings to grow spiritually every day, so go grow.
