**WHAT DRIVES ME**

During my last few years of marching band, our band director had a senior read this quote every practice:

“We have a choice as individuals, organizations, and teams. We can focus on success and spend our life looking around to see how our competition is doing, or we can look straight ahead towards the vision of greatness we have for ourselves and our teams. We can look at competition as the standard or as an indicator of our progress towards our own standards. We can chase success or we can embark on a quest for excellence and focus 100% of our energy to become our best . . . and let success find us. What lies within you?”

Few non-biblical quotes have ever stuck with me and framed my approach to life like this one. How is this relevant to being a Christian? To start, consider where our focus lies. Are we wasting our time comparing how we are doing in the faith to those around us and viewing our brothers and sisters as competition? While we are responsible for our souls in running this race we are not alone. Hebrews 12:1-2a says, “Therefore, since we are surrounded by such a great cloud of witnesses, we must get rid of every weight and the sin that clings so closely, and run with endurance the race set out for us, keeping our eyes fixed on Jesus, the pioneer and perfecter of our faith.” We have such a great cloud of witnesses as well as those we have the opportunity to run with.

Our brothers and sisters in Christ can help us keep putting one foot in front of the other to move forward. What about the vision of greatness? There is nothing greater to fix our eyes on than Christ Jesus. He is the standard of which we pursue day by day. It doesn’t matter whether I am the greatest or best at this or that but instead I focus 100% of my energy to continue becoming my best. Take ownership of your faith and allow Christ to drive us to follow Him ever more earnestly.
