REINVENT

As we have entered this new year, people once again come up with resolutions big and small. So many are compelled to almost attempt to reinvent themselves if you will. There is a saying that talks about inventing, “You shouldn’t try to reinvent the wheel.” The point of that quote and similar statements is to not waste time doing something that has already been done. It is not just about what has been done before but really what has been optimized.

So often people attempt to do this very thing in the business world with products and other items. Such an occurrence is not unique to that area though. In the religious world, false teachers and others have not only tried reinventing doctrine but the image of Christ and the Church. Furthermore, in the idea of reinventing ourselves why attempt it when such a matter has been optimized?

Sure you can reinvent yourself physically but being in Christ and in contact with His cleansing blood is the only way to wash away your mistakes and be born anew. 2 Corinthians 5:17 says, “Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.” While we may think of ourselves as the ones who invent and reinvent, many have gotten accustomed to forgetting where we came from and who made us.

Revelation 1:8 says, “‘I am the Alpha and the Omega,’ says the Lord God, ‘who is and who was and who is to come, the Almighty.’” Let us look to the inventor and creator of all in a time so bent on self betterment and change. After all, the Lord God is the one who has given us the ability to be made new.
