The Little Things

By Ben Rominske, minister

I have felt, as of late, an important reminder in life whether it has been from owning and caring for a puppy, living on my own, or just going through life. It's the little things that can make the biggest difference. We often overlook the smaller matters as we deal with the hustle and bustle of everyday life. Bills must be paid and groceries bought among numerous other things we have to do. How can something small enough to overlook be so impactful?

I've found in situations of hardship, stress, relaxation, or enjoying blessings that these "little things" become apparent. How nice is it for those who watch the sunrise every morning to do so? When you've been in need of rest and you get to sleep in just that extra bit after a long day/week? What about the greetings and words exchanged as we gather for church? Certainly God's wisdom is shown in how uplifting gathering together is for His people.

Most of all I find myself in awe of the little things that echo the touch and care of our Creator. It could be in the beauty of clouds or how he designed men and women for each other. I also cannot help but think of the sacrifice of the Lord Himself. Why did He have to be tempted in all the ways that we are? Why did he have to taste death like we have to? Why did it have to be Him alone? It's the little things, knowing He gets me, He died for me, and that I can face tomorrow because He lives and has conquered death. "O death, where is your victory? O death, where is your sting?" (1 Corinthians 15:55)
