April Fools!

By Ben Rominske, minister

A day renowned for its pranks is soon upon us. For numerous decades April 1st has become synonymous with elaborate jokes. For over fifty years various radio and news outlets have been running outrageous fictional stories of spaghetti farmers, mythical athletic abilities, and various political fictions. Often such jokes are made in good fun with no real purpose for harm. Pranks in recent decades have gone even further given the presence of social media.

Pranks can range from something small like pretending it's a different day to something much worse. People contend with one another to become popular and gain fame often at the expense of others. While a good laugh is great, demeaning others is not good at all. When it comes to Christ and what he was to do as the Messiah it is not some joking matter.

Christ went through an agonizing death, taking on our transgressions. He suffered for us. We get to live in a reality where the greatest act of love ever was done for our souls. No

joke, no prank, nothing. The Creator of the world gave himself up for you and me to reconcile us to Him. That is worth celebrating and telling others about. So as April Fools' Day approaches don't forget about our Lord. After all, one would have to be quite a fool to not follow him. "The wise will inherit honor, but fools get disgrace." (Proverbs 3:35)
