## HOUSE TO HOUSE

*By Ben Rominske, minister*

As you walked in, hopefully you grabbed that nice folded mailer with this Sunday's issue of our bulletin. If you didn't make sure to grab one as you leave! I know in the past Watterson Trail has done some work with House to House, Heart to Heart (usually abbreviated HTH) and these copies are for your edification and education. HTH is both an effective tool for reaching out to our community as well as having good sound doctrine for each of our own benefits.

So maybe you are thinking why are we seeing and talking about this? It is no secret covid has hampered in person outreach in the last few years and adding onto that we have a great deal of non-soliciting areas near us. HTH is a solution for us to reach out to the community breaking through many of the barriers we have encountered. Acts 5:42 says, "And every day, in the temple and from house to house, they did not cease teaching and preaching that the Christ is Jesus."

Having an outreach tool like HTH helps us get the Gospel preached from house to house even when there are other limiting factors. Remembering that "So faith comes from hearing, and hearing through the word of Christ." (Romans 10:17) More than ever, people need to follow the Creator. In a world set on personal truth, people need the Truth of His Word. After all, it is the Truth that will set us free. I hope and pray we not only can gain valuable lessons from HTH but that it blesses those who will receive it.
