## Watching Over

*By Ben Rominske, minister*

While at PTP, some song leaders try to teach new or favorite songs that are not well known. One of these songs was “Watching Over Me” written by Ken and Cole Young. I think this song is a good representation of how we can feel facing trials, temptations, and loneliness but also a reminder that those struggles aren’t the whole picture of the life of a Christian!

When the valley seems so dark and deep  
And the burdens hard to bear  
When the storm clouds gather in the east  
And it seems that no one cares

Remember you are not alone  
Look closely and you'll see  
The Savior watching over you and He's watching over me

When the cross you carry weighs you down  
And you fall upon your knees  
When it seems that no one is around who can hold you tenderly  
Remember you are not alone  
Look closely and you'll see  
The Savior watching over you and He's watching over me

When you cry out on the stormy sea  
Buried by the angry waves  
When your soul is troubled and it seems that your life draws near the grave

Remember you are not alone  
Look closely and you'll see  
The Savior watching over you and He's watching over me

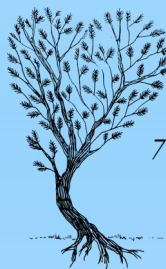

“And he saw that they were making headway painfully, for the wind was against them. And about the fourth watch of the night he came to them, walking on the sea.” Mark 6:48
