**From the desk of
 Ben
 Rominske, minister**

“The Tortoise meanwhile kept going slowly but steadily, and, after a time, passed the place where the Hare was sleeping. But the Hare slept on very peacefully; and when at last he did wake up, the Tortoise was near the goal. The Hare now ran his swiftest, but he could not overtake the Tortoise in time. The race is not always to the swift.”

Hopefully you know the story of the tortoise and the hare whether from book or tv. It is a reminder that swiftness is not always the answer.

This week as I walked Kenobi around he stopped and sat watching the cars and listened to the birds and the other morning sounds. It was peaceful, even in the church parking lot.

When was the last time you slowed down for a moment? Maybe you can stop and smell the roses. Maybe you can stop, weary traveler, and take a load off. I know there is much to do and there's work on every hand, but we have also been blessed with the ability to enjoy our blessings. So do it! Remember there's no ice cream in heaven. Slowing down to appreciate what we've been given is not the only time in our lives we ought to do such.

James 1:19 says “Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger” As we enter a time of warmth and relaxation we must also ensure we are doing our best to live the Christian walk. In all this warm weather it could be easy to get heated and do/say things we ought not to do. We all could use a reminder to slow down.
