## By the Fire Side

From the desk of **Ben Rominske**, minister

The summer months are often synonymous with cooking out. It could be grilling hotdogs, ribs or burgers. While the conditions were not favorable for us last week for our picnic and outdoor time, we still had various grilling foods like the ones mentioned before. If it isn't on a grill or in a smoker you might find yourself over a bonfire. Hot dogs are also a favorite for bonfires as well as the ever sticky and often burned s'mores.

Without a doubt the times I was near a bonfire the most were church camp and youth devotionals. Lots of wonderful times of praise as well as great lessons. As I grew up, being before a fire was then often linked to times of learning. Whether it was from God's Word or how I was to interact with His Creation. I was taught fire safety by those around me. From how to build and start a fire safely to managing it responsibly. I am reminded of a Biblical example when follower of God learned something in the presence of fire.

John 18:17-18 says "The servant girl at the door said to Peter, "You also are not one of this man's disciples, are you?" He said, "I am not." Now the servants and officers had made a charcoal fire, because it was cold, and they were standing and warming themselves." Later on, John uses that same word for charcoal fire that was going when Peter is asked if he loves Christ in John 21:9

We must make the choice to grow and learn in the face of our challenges and circumstances. Fire is dangerous when it is not cared for properly. Our lives and choices are just the same and we have God's Word on how to do it right! A memory of joy could quickly become one of pain if we are not careful so be sober minded and vigilant that we may endure.
