## The Finer Details

From the desk of Ben Rominske, minister

March Madness is upon us and upsets are bound to occur. Whether it be a #1 seed losing in the first game or a lower seed making it to the sweet sixteen or even further. A best of one series means that the statistically best team might not win. A team that is hot or one who paid attention to the finer details while studying their opponent may have the leg up.

While the big and wonderful is great, life is often made, enjoyed, and experienced in the finer details. Maybe it is just sitting and watching the sun as it lowers now that it stays light past 7pm. Maybe it is a special kind of coffee you only get seasonal.

Maybe if you're Ben it is getting see the beauty of God's inspired word in the words left for us. Man there's so much there!!

So, this week I encourage you to take time to pay attention to some of the finer details. In fact, here's a little challenge to see who is actually reading this. Find at least two things on here, outside of this article that I intentionally messed up. Write them down on a paper and put them in questions/concerns box in the foyer.

"Why, even the hairs of your head are all numbered. Fear not; you are of more value than many sparrows." Luke 12:7
